MINUTE ORDER IN CHAMBERS

This case is closed, and judgment has been entered against Plaintiff. Nevertheless, Plaintiff has filed a "Motion for Clarification" (#54), requesting that the Court "review" whether a letter to Plaintiff from Defendants contains wording that is "an act of intimidation as the plaintiff feels it is." The letter appears to be an offer to settle this case; Defendants offer to waive recovery of costs in exchange for a promise that Plaintiff will not appeal this matter.

Plaintiff's motion (#54) is improper. We express no opinion as to whether the letter is "an act of intimidation" because the issue is irrelevant to the adjudication of this closed case.

IT IS, THEREFORE, HEREBY ORDERED that Plaintiff's "Motion for Clarification" (#54) is **DENIED**.
